

YARD WRECKAGE

A mantis drops from nowhere and lands on the upper level, flat part, of the wrecking yard. It walks up and looks down at where The artifact should be. The artifact is not there. The Spider Knight jumps out of the mantis. He walks next to it and looks down. He sees it's not there and turns around to hit the mantis.

THE SPIDER KNIGHT
(While hitting the mantis
angrily)
Fuck!

The Spider Knight looks around. He goes up to one of the terminals and starts hacking into the system. Hacking into the system takes a while.

THE SPIDER KNIGHT
Finally! Dr. Sketch, your security is not easy but not impossible. You presumed that I was just going to below this place up without downloading the data. You really are an idiot. And your kind enough to tell me a way on how to track it.

The Spider Knight looks to the side of him and he is looking at explosives.

THE SPIDER KNIGHT
Now, I'm going to blow this place up.

EXT. SHUTTLE-POSSIBILITY ONE

Everything is blowing up. Whatever team won the previous battle, they are taking the rock away. The Howling Knight is mowing people down with his SAW while Squad Leader Chipper is on a killing spree. The two eventually see each other face-to-face.

THE HOWLING KNIGHT AND THE SQUAD LEADER
CHIPPER
(simultaneously when they see
each other face-to-face)
Finally, time to end this!

Everything blows up and goes blank.

STAR SHIP-POSSIBILITY TWO

Something is blowing up.

STAR SHIP-ALLIANCE VICTORY/POSSIBILITY TWO

Fox and her pirates are fighting for the lives in the center of their base camp.

FOX

Get the escape pods, now!

They're all running for the escape pods as Squad Leader Chipper is walking towards the center. Fox kills a few more people and then she's out of ammo. Fox and a few others surrenders. Alliance soldiers are scanning the entire area.

SQUAD LEADER CHIPPER

Look here, I did not want to start a war. All we are after is a artifact.

FOX

Yeah right, it's either shoot or be shot, a doggy dog world! It really doesn't matter if its the alliance or the Empire. If you're an outlaw, then someone's going to try to kill you before you get the chance to kill them. That's why I attacked you assholes first!

One of the alliance soldiers is pointing a scanner in the direction of the rock.

ALLIANCE SOLDIER VIP

Sir, I think I found it.

SQUAD LEADER CHIPPER

What is it? What is the weapon?

FOX

Weapon?

ALLIANCE SOLDIER VIP

I think it's the rock?

SQUAD LEADER CHIPPER

This is not a good time for jokes!

FOX

(Laughs hysterically)

The magical space rock that we found in that wrecking yard is a weapon!?

She stops laughing with sudden realization. If janitor Mike is still alive, then she looks at him trembling. She looks down at the floor.

FOX

That's why we encountered Empire
spec ops. It was for that damn rock!

SQUAD LEADER CHIPPER

From the data we retrieved, that
artifact can destroy the alliance
and more. Are you willing to work
with us?

FOX

No, I'm not willing, but I am forced
too.

As they continue bickering as one of the alliance soldiers
mindlessly walks slowly to the rock.

SQUAD LEADER CHIPPER

I know what happened is tragic but
if we work together, we can save the
entire universe and you won't have
to be a outlaw with the alliance.
Others outlaws will see that we are
fair and understanding.

FOX

You know how vague that was? What do
you mean by fair and understanding?
You can make up what those mean and
turn us into criminals again. Those
whom you might deem innocent, you'll
make them into criminals again after
one tiny mistake. Pattern will
repeat and you're still going to
kill us mercilessly.

SQUAD LEADER CHIPPER

We will place criminals under
arrest, not kill them on the spot.
Also, we understand some of you are
forced into it. We're going to
embrace a gray area and then clear
some things up to find out who are
the real bad criminals.

FOX

Bull shit! When I'm free, I'm going
to kill every single one of you to
avenge my fallen comrades...

The alliance soldier is right about to touch the rock.

(If janitor Mike is alive then he says this...

JANITOR MIKE
 For the love of all things holy
 don't touch it! Stop! Stop! Stop...)

The alliance soldier touches the rock. Everyone screams and starts to collapse.

STAR SHIP-PIRATE VICTORY/POSSIBILITY TWO

Banshees are flying away from the alliance ship. All the Pirates are yelling in excitement. A radio transmission is coming through but everyone is ignoring it. Eventually, Fox picks it up.

FOX
 Hey assholes, how do like defeat?
 That'll teach you to mess with...

SQUAD LEADER CHIPPER
 (yelling)
 Just shut the fuck up! I did not come here to fight you! You have a artifact that could be the most dangerous weapon ever! Destroy it or just get as far away from it as possible! Here is the data for it! You have no idea how dangerous and how much the empire has researched...

FOX
 (interrupting)
 Thanks for the data, now you just shut the fuck up! The empire has researched into this, ohh, they are just smarter than whole bunch of stupid criminals. Understand this, we have top criminal scientists, just like the empire, no matter how much they try to hide it. We can figure out their shit too! Adios amigo!

She turns off the screen.

FOX
 Well, that explains empire special operatives.

She turns around to the party.

FOX
 Hey everyone!

Everyone becomes quiet.

FOX

I need just one of you to scan this special signature because we have a amazing weapon! We might have the possibility to hold the universe as hostage and get all the riches we ever desired!

Everybody cheers and gets back to parting.

(If janitor Mike is still alive, he walks up to Fox.

JANITOR MIKE

The empire and the alliance have no understanding what the rock can do. I do and it will grant you only pain and trauma beyond your nightmares. Listen to me, you need to blow that rock up!

FOX

Crazy, we saved your life. So, just tell us who would pay the ransom money for you. We do want to get you home but we need something in exchange to survive. If you're not going to tell me now, just go away.

Janitor Mike walks away.)

Pirate VIP walks to Fox.

PIRATE VIP

Can I have the honor ma'am?

FOX

Yeah.

Fox gives him the scanning device and he walks off to scan. She goes to party and then...

PIRATE VIP

It seems to be reacting to the rock. Maybe somethings inside of it or this thing really is a magical space rock.

FOX

So the empire spec ops team was after a glowing rock. Okay, after we are done partying, we're going to get to that abandoned factory.

(If janitor Mike is around...

JANITOR MIKE

Everyone's idiots, they really don't
know what evil lurks inside that
thing!)

OUTCAST—YEARS AGO

MAYBE BLURRY AND CLEAR COMING IN AND OUT

Empire soldiers come from the ship dropping into a hot zone
of alliance shooting back. Younger versions of the Spider
Knight and Howling Knight are there.

The empire group forces the alliance group to surrender.

Prisoners are walking into their prison cells.

People dying randomly.

Sabrina looks at the Spider Knight.

Prisoners are set free.

Prisoners and empire work together to survive.

Sabrina and the the Spider Knight get closer together.

KAT'S BAR— A YEAR OR SO AFTER WORKING TOGETHER

CLEARING UP

Together drinking at a bar.

ALLIANCE SURVIVOR

It's good to be back in
civilization.

EMPIRE SURVIVOR

Definitely but after this mission,
you part of the alliance, the part
of the empire, it makes me wonder
what civilization really is.

ALLIANCE SURVIVOR

How about we find a remote place in
the galaxy where we do not have to
fight against each other.

EMPIRE SURVIVOR

Sounds good to me... but only do it if
the knight in training has the balls
to ask Sabrina out.

ALLIANCE SURVIVOR
Dude, they are beyond going out.

EMPIRE SURVIVOR
I know, if they just make it
official though.

ALLIANCE SURVIVOR
I get your point. I'm sure he will
and cheers to our future.

COMPLETELY CLEAR

THE HOWLING KNIGHT
Hey Spite, you keep on looking at
her. Go talk to her man, sides have
only put us in risk on this mission
and maybe communicating will allow
us to gain peace and stop this
warfare. Don't make this last time
you two see each other. The both of
you are deeply in love!

THE SPIDER KNIGHT
We did get the chance talk a lot and
express our love on this journey but
now we are back in society. We're
going to have to separate... go back
to our different sides. We're
becoming knights, we have to be 100%
loyal to the empire.

THE HOWLING KNIGHT
Dude, we know that things are fucked
up in the empire. We are becoming
knights to change things. Just
because we proved that we have the
skills to be bad ass knights doesn't
mean we have to lose our ability to
love. Just go and stop being so shy
man. Stop hiding behind excuses.
After all you two been through...
don't make this the last time.

THE SPIDER KNIGHT
You're a asshole, you know that
right?... Of course you do. Okay then,
I'm going to do it.

The Spider Knight walks up to Sabrina.

SABRINA
Spite, I'm glad you came to me, I
need to tell you something before we

go our different ways. After all this, I don't think I want to go back to the alliance... because... I love you.

THE SPIDER KNIGHT

Same.

SABRINA

Oh, I see how it's like. I'm glad you like yourself too.

THE SPIDER KNIGHT

That's not what I meant...

SABRINA

I know.

THE SPIDER KNIGHT

... this might be surprising... but I feel the same way... I don't want to go back to the life I've had. I want to live the rest of my life with you... will you marry me?

ALLIANCE SURVIVOR

(Offscreen or background)

I should've saw that coming... but still surprising.

SABRINA

Hell yes!

EMPIRE SURVIVOR

(Offscreen or background)

Paradise... here we come!

The Howling Knight walks up to the two of them.

THE HOWLING KNIGHT

Congratulations you two! So, change of plans? We live our own lives and fuck allegiances?

SABRINA

We think that's the best.

THE SPIDER KNIGHT

After all we've been through, it really is better that we live each other's lives instead of dealing with the bull shit that exists.

THE HOWLING KNIGHT

I'm looking forward to this future.
I just hope I'm not left off of the
third wheel.

THE SPIDER KNIGHT
Don't worry, we will try to find
somebody for you so you won't be too
much of a third wheel.

SABRINA
Definitely. You might not be my
lover Wolf, but the both of you are
my best friends.

THE HOWLING KNIGHT
Better be someone as hot as you
Sabrina! Spite is one very lucky man
but I'm more lucky to have such
amazing best friends. This whole
journey was life changer.

THE SPIDER KNIGHT
Yeah... I just hate to let you down.
But my extremely hot fiancée and I
are going to have to help you find
someone after our honeymoon.

SABRINA
I hope you don't get too jealous.

Everyone in the bar laughs.

BLURS OUT

UNKNOWN LOCATION— A MONTH OR SO LATER

MAYBE BLURRY AND CLEAR COMING IN AND OUT

The three are in a firefight. They are fighting Empire
troops.

CLEARING UP

THE HOWLING KNIGHT
How the hell did they find us?

SABRINA
I don't know. What's the plan Spite?

THE SPIDER KNIGHT
All right, Sabina you take sniper
point while Wolf lays down
suppressing fire. I'm going to try
to get in closer. The two of us

should be able to distract them as
you get up to sniper point. Watch
out and stay safe though.

SABRINA

A good plan my love. I'm a assassin,
I can take care of myself honey.

THE HOWLING KNIGHT

I know you guys think that this is a
good time for melodrama but it's
not. Let's do this thing.

The three initiate the plan but the Spider Knight looks up

SLOW MOTION

THE SPIDER KNIGHT

(Yelling)

Sabrina there is another sniper, get
to cover!

Sabrina tries to turn around but she gets shot down by a
beam rifle or a sniper rifle but not a binary rifle.

THE SPIDER KNIGHT & THE HOLING KNIGHT

(Yelling louder than ever

basically howling)

Noooooooooooooo!!

NORMAL SPEED

The two go on a murderous rampage. The Howling Knight just
destroying everybody right in front of him and the Spider
Knight placing everything and moving into the correct
locations to flank with so much destruction and bloodshed.
The Howling Knight is yelling curse words.

BLURS IN AND OUT

They are on the edge of death forced to surrender and out of
ammo. The Emperor walks towards them with empire soldiers
surrounding them.

EMPEROR TYRANNESS

Well done you two! Usually, I would
execute both of you on the spot but
I have a feeling if I try do that, I
would just lose a few more soldiers.
I will spare your lives, if you come
back to the empire military and
oblige in some agreements.

THE SPIDER KNIGHT & THE HOLING KNIGHT

(Talking in their usual
present voices)
Yes your Majesty.

EMPEROR TYRANNESS

I'm so glad that you can see things
my way. Now, as knights you can not
worry in petty issues like this...
Romeo and Juliet relationship you
two tangled yourselves in. If you
ever betray the empire again, you'll
not get any second chances and you
will be executed. Understood?

THE SPIDER KNIGHT & THE HOWLING KNIGHT

Yes your grace.

EMPEROR TYRANNESS

I can already tell you two will be
great knights. Anyway, I will
determine your names for knighthood.
Let's see, Wolf is what people call
you, correct?

THE HOWLING KNIGHT

Yes sire.

EMPEROR TYRANNESS

Well, we already have a Wolf knight,
so... from yelling all of those
absurdities and your pedigree of
being Wolf... you'll be known as the
Howling Knight. And your buddy? They
call you Spite?

THE SPIDER KNIGHT

Yes sire.

EMPEROR TYRANNESS

You are the one that fell in love?

THE SPIDER KNIGHT

Correct sire.

EMPEROR TYRANNESS

Well then, your knighthood name
should reflect that sin and your
tactical prowess. For being the
Genesis of this problem, you'll be
forced to wear a reminder that being
infected by the... venom of love... and
it becoming an excuse to betray the
empire, has a terrible burden. The
venom knight is another one that is

still alive but you're a widower... a spider. That is what should be drawn on your chest. You'll be known as the Spider Knight from this point forth. Now rise my knights and let's bring peace to the galaxy.

In all their pain, the two rises up, they walked towards the camera, flashes of their new armor overlap their old one.

POSSIBILITY ONE

The Howling Knight wakes up from being unconscious. If the alliance won, he wakes up in exile, but if the empire wins, he wakes up in wreckage.

Far off in the distance, he can see Pirates walking into the destruction.

THE HOWLING KNIGHT

Already? Pirates seem to get faster every day but I have a feeling that the alliance have some survivors as well some of the Empire troops. I need to find and organize the others before hell breaks loose.

POSSIBILITY TWO

The Howling Knight wakes up in his bed to a call. He answers his phone.

THE HOWLING KNIGHT

Hello, are we there yet?

POSSIBILITY TWO—ALLIANCE VICTORY

EMPIRE SOLDIER

(through the call)

Yes sir. It seems like the alliance and Pirates were fighting over the artifact and have crashed on this planet.

THE HOWLING KNIGHT

Send a team down to investigate. I'll be down when the fireworks start.

POSSIBILITY TWO—PIRATE VICTORY

EMPIRE SOLDIER

(through the call)

Yes sir. It seems like the Pirates

have transported the artifact to a
abandoned facility or factory. Also,
a alliance ship that seem to be
roughly repaired from a recent
battle is heading towards the
location also.

THE HOWLING KNIGHT

Send a team down to investigate.
I'll be down when the fireworks
start.
