

INT. CITY OF LUNAR CENTAURI

Emperor Tyranness is looking out his window. When the Howling Knight walks in.

EMPEROR TYRANNESS

What took you so long? Too much traffic?

THE HOWLING KNIGHT

No sir.

Emperor Tyranness turns around to look at the Howling Knight.

EMPEROR TYRANNESS

Whenever is slowing you down it's not important but it is frustrating. You're probably wondering why I requested your presence. I wanted to know the progress of returning the rock.

THE HOWLING KNIGHT

They should be reporting in soon. You'll be the first to know if they have retrieved it.

EMPEROR TYRANNESS

I know that, but why is there a delay?

THE HOWLING KNIGHT

Does the weapon block out radio transmissions?

EMPEROR TYRANNESS

I don't believe so, but it should have been in the dossier you read? Dr. Sketch knows all about the weapon.

THE HOWLING KNIGHT

Large consumptions of the information was concealed. Not a lot I could find out. Also, it did not go into more depth as to why the Spider Knight has gone rogue.

EMPEROR TYRANNESS

The reasons of betrayal are useless because the very act of betraying is too great of a sin. You a knight, you should never be concerned about

petty issues. Once you have completed this task or if the Spider Knight gets in your way, you are ordered to kill him. Anyway, if the weapon does not block out radio transmissions, what do you think could possibly have happened?

THE HOWLING KNIGHT
Well, the alliance could have hacked into our system and learned about the weapon or... Pirates.

YARD WRECKAGE—EMPIRE VICTORY

The Pirates are running back to their ship. If the humans survived during the flood prologue, the VIP for the empire kills janitor Mike as he is running away. The empire spec ops shoots up at the ship while flying away noises happen.

EMPIRE VIP
Dammit, they got away. Contact the Howling Knight. Update him upon the situation and ask him where we should transport it next.

INT. CITY OF LUNAR CENTAURI—EMPIRE VICTORY

A phone ringing starts to happen.

THE HOWLING KNIGHT
I'm getting a call emperor, may I pick it up?

EMPEROR TYRANNESS
If it is the spec ops team, then you have my permission.

The Howling Knight looks down and turns 90° to the right.

THE HOWLING KNIGHT
What happened?... good, you got the area secured... don't worry about the Pirates... meet me at the shuttle station in that quadrant so we can transfer the weapon as fast and efficiently as possible.

The Howling Knight looks back at the Emperor.

THE HOWLING KNIGHT
Your Majesty, do I have permission to leave to continue the mission?

EMPEROR TYRANNESS
You have my permission. Find that
weapon as soon as possible.

THE HOWLING KNIGHT
Yes sir!

The Howling Knight starts to walk away.

EMPEROR TYRANNESS
Answer me one thing first, what
would happen if the alliance got
through our network?

YARD WRECKAGE—PIRATE VICTORY

The last of the empire spec ops team gets shot down. The
Pirates are breathing heavily.

PIRATE ONE
Holy shit! Holy, holy, holy shit!
Did we just take down a entire
empire special operatives team?

FOX
We did! Now, let's check the rest of
this area.

All of the Pirates begin to search the area.

(If the humans survive during the flood prologue...

JANITOR MIKE
(crazy like)
You have no idea... evil magic space
rock... horrible monsters... it hides
its monsters... and releases it when
it wants to...

Fox looks at janitor Mike and then looks at one of her
Pirates.

FOX
Get the traumatized janitor out of
here.

PIRATE VIP
Yes ma'am.

Pirate VIP walks janitor Mike to the ship.)

PIRATE ONE
(Yelling from down below)
Hey Capt., check this thing out!

Fox comes on down to the magical space rock.

PIRATE ONE
Cool, isn't it?

FOX
I think it will make our home a little better looking. You can take it if you want but let's get to base camp as soon as possible.

PIRATE ONE
Thank you and eye eye Capt.!

Fox lowers her head and sigh.

INT. CITY OF LUNAR CENTAURI-PIRATE VICTORY

EMPEROR TYRANNESS
It's been too long.

THE HOWLING KNIGHT
Is there a way to track it?

EMPEROR TYRANNESS
Ask Dr. Sketch on your way out if there is.

THE HOWLING KNIGHT
Sir, can I have permission to go over to the area and see what has conspired there?

EMPEROR TYRANNESS
Yes, but Remember your priorities. If there's a way to track it, find it.

THE HOWLING KNIGHT
Yes sir!

The Howling Knight starts to walk away.

EMPEROR TYRANNESS
Answer me one thing first, what would happen if the alliance got through our network?

ALLIANCE BASE- NO MATTER WHO WINS AND LOSES

A lot of alliance soldiers are doing things in the background. One of the alliance soldiers walks up to the Alliance Leader. Next to the Alliance Leader is the Alliance Squad Leader. The Squad Leader and the Alliance Leader are

talking to each other.

ALLIANCE SOLDIER HACKER
Sir, sorry to interrupt but I have
discovered something important.

ALLIANCE LEADER
No worries kid, I hope this
important thing is good news. Tell
us about it.

ALLIANCE SOLDIER HACKER
Yes sir, the empire has discovered
some kind of artifact that can
become a great weapon and their
planing to use it against us. They
have their top researchers and a
knight in charge of security.

SQUAD LEADER CHIPPER
Don't say yes sir with bad news,
thanks though. If a knight is
guarding it, then this artifact
could really kill us all.

ALLIANCE LEADER
Give him some slack little brother.
We can make it good news. Any way to
track it?

ALLIANCE SOLDIER HACKER
It was really difficult to find all
the information but what little I
could find, and they tried really
hard to cover this up, is that it
gives off a unique signal unlike
anything else.

ALLIANCE LEADER
If you got it, send the data to our
ship.

The alliance soldier runs off to send the data. The Alliance
Leader and Squad Leader chipper look at each other.

ALLIANCE LEADER
Heavy stuff. A knight assigned to
guard a artifact? If we can get a
hold of this weapon, it can turn the
tides of this war. Be careful though
bro, you have no idea what this
weapon is and there's a knight
guarding it.

SQUAD LEADER CHIPPER
I killed a knight once, so trust me
older bro, I will be careful.

UNKNOWN LOCATION—IN THE PAST

A quick flashback of Squad Leader chipper fighting the Venom Knight and ending the fight without ammo. Squad Leader chipper with one punch spins around the Venom Knight and when he is turned around assassinates him.

ALLIANCE BASE

SQUAD LEADER CHIPPER
I know this sounds crazy, but
because you're in a knight bro, I
still wonder if he somehow survived
that.

ALLIANCE LEADER
He is probably dead. Anyway, you
know what to do then?

SQUAD LEADER CHIPPER
Always.

ALLIANCE LEADER
Got a plan?

SQUAD LEADER CHIPPER
Hack their security system and turn
it against them, kill all hostile,
and bring the artifact back home. I
lead the battles, you lead the
alliance. So chill. You do not mind
me borrowing one of the fighters?

ALLIANCE LEADER
Go for it bro.

Squad Leader chipper gets into a banshee and blasts out of the canyon as the Alliance Leader walks the other direction to sees him fly off.

ALLIANCE LEADER
Good luck little brother.

STARSHIP—PIRATE VICTORY

All the Pirates are happy to see Fox returned.

FOX
Hello everybody! I got one hell of a
story to tell when we're partying.

Anyways, we got a lot of loot but
 our biggest prize is a strange
 glowing rock that can be great
 decoration... and could sell well
 black market! Really well!

All the Pirates cheer and Fox steps down. Then, a pirate
 checking the monitors, turns around to the crowd.

PIRATE ON MONITOR
 (yelling)
 A alliance ship is coming, a big
 one!

FOX
 Get ready for battle!

SHUTTLE- EMPIRE VICTORY

The Howling Knight is walking up to one of the spec ops
 soldiers.

THE HOWLING KNIGHT
 Do you have the magical space rock?

EMPIRE SPEC OPS SOLDIER
 The magician will be able to
 continue the show.

Flashing starts.

EMPIRE SHUTTLE SECURITY
 (loudspeaker)
 A alliance ship has got in! Be on
 high alert! A alliance ship has got
 in!

Message continues to repeat in the background.

THE HOWLING KNIGHT
 There's always something on this
 job. Get everyone ready for battle.
