CONTINUOUS DIFFERENT SHOTS

People playing Griffball in the stadium with thruster packs.
KILO is playing with them as Dr. Sketch.

CONTINUOUS DIFFERENT SHOTS STOP

ZEEZKE99 and PK9XDARKODYSSEY are both standing and looking
at the camera. Dressed in the characters they're playing as.

ZEEZKE99

Hello all, I'm Zeezke creator of the
Halo 4 Express and this is P.K9X
Dark Odyssey of Beyond Red Wave
Arts. We have a big announcement for
everybody about my channel. Would
you like to tell everyone about it?

PK9XDARKODYSSEY

Why the fu<k not? Hi, a lot of us
from the Halo community are teaming
up for a groundbreaking Machinima. I
am the writer and one of the few
individuals that have contributed a
lot to this project. It's going to
work in a cycle of episodes and game
nights.

ZEEZKE99

On my channel we are going to
release a episode that relates to
the overall storyline and describes
a upcoming battle. The battle will
be hosted by me or someone on our
team.

IAMAGUN15 walks right next to them out of nowhere and stands
next to ZEEZKE99 and PK9XDarkOdyssey. ZEEZKE99 and
PK9XDarkOdyssey look at IAMAGUN15.

IAMAGUN15

That's right! You guys get to play
the battles!... By the way I'm I am a
gun 15.

ZEEZKE99

That's literally his name.

PK9XDARKODYSSEY

I feel like we're missing something...
Should this be like group therapy?
You know, we all say hi to each

other. You have a moment to announce yourself and what are you doing in the Machinima and everyone's like hello...

ZEEZKE99

No.

PK9XDARKODYSSEY

Ok.

IAMAGUN15

Anyway, I'm the audio director of the Machinima. I am also from the Halo 4 express. Depending on who wins and loses the battles, the story changes.

PK9XDARKODYSSEY

You have some real gravity and weight in this universe.

ELEPHANTROTC comes up from the other direction then IAMAGUN15. Everyone turns around to look at Elephantrotc.

ELEPHANTROTC

What?

ZEEZKE99

Is everyone going to do that every time someone new comes by to introduce themselves?

IAMAGUN15

Knowing us, probably.

PK9XDARKODYSSEY

I'm telling you, group therapy.

ZEEZKE99

No!

ELEPHANTROTC

I'm Elephantrotc and I'm a director and editor like Zeek. My YouTube channel is Schola Productions. The pattern of episode to battle will continue to repeat but what happens in the episodes, and most of the places that you will play in, will change.

ZEEZKE99

Let's use this Griffball game as an

example.

GOING BACK TO PEOPLE PLAYING GRIFFBALL

ZEEZKE99

(Offscreen)

As you can see, a battle is occurring.

Kilo stops and looks at the camera.

KILO

Hey, finally, my appearance. I don't know if you recognize me but I'm one of the extras helping Mik3 WB in the new season of...

RANDOM PLAYER FROM OPPOSITE TEAM

Nobody cares douche nozzle!

Random player from opposite team swings his gravity Hammer at Kilo crashing and killing him. The game continues on.

PK9XDARKODYSSEY

Poor Kilo.

IAMAGUN15

I bet that really crashed his ego.

Kilo walks in line with his head down. Everyone turns around to look at Kilo.

PK9XDARKODYSSEY

Hey kilo, how's life?

Excitement comes back to Kilo.

KILO

Odyssey! It's all good man, what about you?

ZEEZKE99

His life is good. I need a continue narrating the description. Anyway...

The actions are going to be what Zeezke99 narrates.

ZEEZKE99

(Narrating)

Basically, if Kilo's team wins, they'll be awarded with the prize and act respectfully. If the other team wins, then they will make kilo's team circle up in the group

to kill them all together. Once
their dead bodies are accumulated,
they will be teabag repetitively.

BACK TO DEFAULT

KILO
Win team, WIN!

ZEEZKE99
So, you get the point. I think this
is a good time to introduce the
story.

PK9XDARKODYSSEY
That's my job. There are three
different factions...

IAMAGUN15
The Alliance trying to support all
the good stuff...

ELEPHANTROTC
There is the great and awesome
empire, that will always battle for
control of power.

FOX comes out of nowhere. Everyone turns around to look at
Fox.

FOX
And the Pirates trying to survive
day per day.

ZEEZKE99
Nice of you to join us Fox.

FOX
Glad to be here.

BOBERT comes out of nowhere. Everyone turns around to look
at Bobert.

PK9XDARKODYSSEY
Another cool guy, Bobert39.

BOBERT
Hey, guys. My friends coming over,
so we can introduce the characters?

KILO
Starting with the best character...

IAMAGUN15

Hold your horses there kilo. We have
a little more to explain before we
get into characters.

YARD WRECKAGE

PK9XDarkOdyssey is standing right in front of the magical
rock.

PK9XDARKODYSSEY
Basically, in Empire space, this
magical space rock...

IAMAGUN15
(Narrating)
Artifact!

PK9XDarkOdyssey looks offscreen to his side and then looks
back.

PK9XDARKODYSSEY
Whenever, anyway, the artifact has
been discovered and it holds great
potential to be one of the most
dangerous weapons in the galaxy.
Your battles will revolve around
this mysterious artifact and who is
in control of it.

ALLIANCE GRIFFBALL COURT

ZEEZKE99
But that is just the surface. We
worked really hard together to make
depth to the characters. And
character development will change
depending on you.

IAMAGUN15
Who wins and lose is determined by
you playing. You affect the drama by
how much ass you can kick. Put your
heart and soul into the battle
because people's lives are on the
line. Yeah, we didn't get the chance
to tell you that characters might
die if you don't win battles.

All the main actors so far are now in front of the camera.
LINZIERAE and MERRITT are on either side of the line.
Everyone looks back and forth along the line. They stop and
look at LinzieRae when she is talking.

LINZIERAE

I hope of not too late.

MERRITT

I really want to be a part of this,
don't fire me because of late.

ZEEZKE99

MERRITT and LinzieRae, You two are
just in time. Elephantrotc would you
like to do the honors?

ELEPHANTROTC

We all act as important characters
and these are the characters...

PK9XDARKODYSSEY

(in character voice)

I am the spider knight, a high-level
military official of the empire that
has gone rogue.

KILO

(in character voice)

I am Dr. Sketch, the kooky mad
scientist for the empire, that's
also sketchy.

ELEPHANTROTC

(in character voice)

I am Emperor Tyranness, deserving to
have everything because of the
power, which is bestowed to me to
correct this universe.

FOX

(in the character voice)

I am the captain of the Pirates, I
have stumbled upon a abandoned
wrecking yard, thinking that it was
going to be an easy raid, but it
became a life-changing event.

MERRITT

(in the character voice)

I am the Howling Knight, a high
level military official who is
monitoring the transport of the
"magical space rock". It also
happens to be known as the greatest
weapon in existence.

LINZIERAE

(in the character voice)

I am a Alliance Assassin. And even

though a dead, I have established a great connection between two of these characters that has a major impact to the story.

BOBERT
(in the character voice)
I am the Venom Knight. I'm dead also...

ZEEZKE99
(in character voice)
I am the Alliance Leader, Jay Chipper I am determined to do what's right, whatever the cost. I will not let people die if I can avoid it.

ZEEZKE99
That's basically all the characters we have now, not including extras, like the Kennys.

PK9XDARKODYSSEY
We were also lucky to get some great help.

KILO
Like Shiralai, who is an amazing forger. Everything she touches becomes a work of art in Forge mode.

ELEPHANTROTC
We are not going to push you beyond your comfort levels but we do need more support.

IAMAGUN15
Please, don't be shy, because we will help you find a place to help us out. If you want to contribute in the production or if you just want to say you're looking forward to playing, posted on our forum that Zeek will mention later.

ELEPHANTROTC
Honestly, the little things mean a lot to us and we like the positive feedback or constructive criticism.

BOBERT
So far, all our maps except for two will be of forge. Heck, you may not even be able to play those maps,

different paths lead to different places.

ZEEZKE99

That concludes the general important stuff.

IAMAGUN15

Montage.

FOX

Montage?

KILO

Hell yeah Montage!

BOBERT

All the way!

LINZIERAE

Of what?

MERRITT

Montage of the maps you may or may not be playing on.

ELEPHANTROTC

What other montage should there be?

IAMAGUN15

All depending on you. Maps that we all worked hard on for you to have fun on.

PK9XDARKODYSSEY

You are the ultimate random factor, you're one player that can change the tides of the battles.

ZEEZKE99

So, stay tuned to the Halo 4 Express, Halocustom.com's forum: Community changing web series Halo Machinima, and our Facebook page, as well as Elephant's channels for more information about, Effecting Fate.

Montage of everyone who worked on this infomercial, playing on the maps.
